BANGALORE, THURSDAY, JANUARY 23, 1908.

PART II.

JUDICIAL DEPARTMENT.

IN THE CHIEF COURT OF MYSORE.

CIVIL SIDE.

Rule of Practice No. 137, dated 7th January 1908.

Under the provisions of Section 652, Civil Procedure Code, and in supersession of Rule of Practice No. 85, dated 26th February 1894, the Chief Court issues the following rules for regulating the procedure to be observed in the matter of the issue of warrants for the arrest of public servants and railway officials:—

1. Whenever a Civil Court issues a warrant for the arrest of a public servant, notice in writing of the intended arrest shall be sent by the Court issuing the warrant to the immediate official superior of the person to be arrested. The notice shall be delivered to the official superior, before the warrant is executed, by the amin or process peon to whom the warrant is entrusted for execution, unless it appears to the Court issuing the warrant that the delivery of the notice in this way is likely to delay the execution of the warrant unduly, in which case the notice shall be despatched to the official superior by post or by such other means as appear proper to the Court issuing the warrant before the warrant is handed over to the amin or peon.

2. When a Court has occasion to issue a warrant of arrest of any person in the employment of a Railway Company, the Court shall enter, in the warrant, a direction to the amin or process peon to whom it is entrusted for execution, requiring him, before making the arrest, to acquaint the immediate official superior of the person to be arrested with the fact that the arrest is about to be made. The words "immediate official superior" shall be deemed to include a railway official of the rank of Station Master, Foreman or Inspector, but not one of lower rank.

CIVIL SIDE.

Addendum and corrigendum dated 7th January 1908 to Circular Letter No. 191, dated 10th October 1907.

The Chief Court directs that the following form be substituted for the form of register given in the said Circular Letter. In writing the register only net result should be entered
